

## FACTSHEET

*“God wants, The man dreams, The masterpiece is born.”*

— *Fernando Pessoa*

This architecture project came alive. This piece of work sprouted from the fusion of the literary masterpieces combined with the finest pieces of art.

The “Poet’s Hotel” gathers the most important personalities in the universe of art, poetry and culture in Portugal: **Bocage, Fernando Pessoa, Florbela Espanca e Luís Vaz de Camões**. Each one is so unique, so different from the other. Based on the search made in the heterogeneity and inspiration emanated from each poet, a new hotel unit emerges. Unity is the substance that lies on the foundation and conception of the whole project. We looked to unite. We were able to unite.

The unification of eras, histories and words. The unification of wills and efforts. Therefore, a unique concept where people can breathe poetry and inspiration, arises.

With a unique, innovative and inspirational decoration, each floor is dedicated to one of the poets mentioned above. In each room, you will feel the presence of several elements that will transport you immediately to each poet’s universe.

This is the ideal place for your stay in the capital, whether travelling for business or leisure purposes. Placed in the heart of the charismatic Rua Augusta, in the downtown area, our team aims to, not only fulfil but exceed our guest’s needs and expectations. The hotel desires to become a reference when it comes to customer service excellence.

Located right in the middle of the downtown, it would take only a five-minute walk to reach some of the capital’s most emblematic touristic attractions, such as the S. Jorge’s Castle, the Cathedral, the Comércio and Rossio squares and the Chiado area.

The building fully complies with the structural values and design of the Pombal’s buildings, preserving and adjusting them to the needs of a contemporary use.

The new **Be Poet Baixa Hotel** wants to turn a page when it comes to Lisbon’s Hospitality. The first **three-star hotel** in Rua Augusta earns two more stars: one for our hospitality and another one for your presence.

**Welcome.**
